History of Greek's Pizzeria

Greek's Pizzeria has proudly served the finest pizza and sandwiches in the Valparaiso area for over 45 years. Originating as a campus "hangout," **Greek's Pizzeria** on Greenwich Street, near fraternity row on Mound Street (hence the name), became a 20 year tradition with Valparaiso University students and staff alike. We moved our restaurant to its present location at **59 Indiana Ave.** to better accommodate customers—better parking, an expanded menu and dining room, and the offering of beer and wine for your dining enjoyment. So, try a Valpo tradition. *Taste the difference years of experience makes ...*

In 1986, after seventeen years of making traditional pizza, Uncle Menny's Gourmet Pizza was introduced to the world. Having traveled to Europe, we brought back ideas and recipes that we thought would enhance the everyday pizza eating experience.
